Thesis, Organization and Logic	Thesis responds to the prompt and makes a strong claim. All ideas flow logically; the argument is identifiable, reasonable, and sound. Presenters ably communicate the complexity of the question and make novel connections that illuminate the thesis.	Thesis responds to the prompt and makes a clear claim. Well organized, logical, easy to follow argument. Presenters perceive the complexity of the questions, and occasionally make insightful connections to the evidence.	Thesis is not clear or does not respond fully to the prompt. Logic may often fail, or the argument may often be unclear. Oversimplifies the questions. May also contain inconsistencies or contradictions.
	21 to 26 points	15 to 20 points	0 to 14 points
Depth of Understanding of the two periods	Argument includes: - A compelling understanding of the political, economic and cultural conditions that gave rise to the race riots and deportations during the post WWI period - A compelling hypothesis regarding the causes and impacts of present-day mass deportations and attacks on DEI - The examination of at least 5 additional government policies and actions, cultural divides, and issues related to education, health, unions, business growth or free speech.	Argument includes: - A thoughtful understanding of the political, economic and cultural conditions that gave rise to the race riots and deportations during the post WWI period - A strong hypothesis regarding the causes and impacts of present-day mass deportations and attacks on DEI - The examination of 3 additional government policies and actions, cultural divides, and issues related to education, health, unions, business growth or free speech.	Argument includes: - An ineffective understanding of the political, economic and cultural conditions that gave rise to the race riots and deportations during the post WWI period - A simplistic hypothesis regarding the causes and impacts of present-day mass deportations and attacks on DEI - The examination of 1-2 additional government policies and actions, cultural divides, and issues related to education, health, unions, business growth or free speech.
	21 to 26 points	15 to 20 points	0 to 14 points
Compare and Contrast	- Masterfully compares and contrasts the race riots and mass deportations of the post WWI period with the attacks on DEI and mass deportations of the current period. - Eloquently explains significant parallels or differences regarding cultural divides, political power and government policies or actions, e.g., with regard to education, health, unions, business growth, and/or free speech.	- Thoughtfully compares and contrasts the race riots and mass deportations of the post WWI period with the attacks on DEI and mass deportations of the current period. - Clearly explains significant parallels or differences regarding cultural divides, political power and government policies or actions, e.g., with regard to education, health, unions, business growth, and/or free speech.	- Ineffectively compares and contrasts the race riots and mass deportations of the post WWI period with the attacks on DEI and mass deportations of the current period. - Poorly explains significant parallels or differences regarding cultural divides, political power and government policies or actions, e.g., with regard to education, health, unions, business growth, and/or free speech.
